Vogel Consulting Crowned Best Regional Multi-family Office
at Family Wealth Report Awards 2015

Brookfield, Wisconsin – March 17, 2015 - Vogel Consulting, an independent multi-family office, was crowned 'Best Regional Multi-family Office' at the 2nd *Family Wealth Report Awards* on March 12, 2015.

Showcasing 'best of breed' providers in the global private banking, wealth management and trusted advisor communities, the awards were designed to recognize companies, teams and individuals which the prestigious panel of judges deemed to have 'demonstrated innovation and excellence'. The black-tie dinner was held at the Mandarin Oriental in New York City.

Commenting on the firm's win, Rhona E. Vogel, Founder & CEO, said: "We are delighted to have been voted the winner of this prestigious award. It is a testament to the individual attention, custom planning, and dedication we deliver to our families." Vogel continued, "I want to thank my entire firm for their focus on our families."

ClearView Financial Media's CEO, and Publisher of *Family Wealth Report*, Stephen Harris, was first to extend his congratulations to all the winners. He said: "The firms who triumphed in these awards are all worthy winners, and I would like to extend my heartiest congratulations. These awards were judged solely on the basis of entrants' submissions and their response to a number of specific questions, which had to be answered focusing on the client experience, not quantitative performance metrics."
